FOR IMMEDIATE RELEASE:

**Tucson's Splendido Hosts Informational Breakfast
at Eldorado Hotel and Spa in Santa Fe**

Tucson, Az. (March 13, 2013) -- On Thursday, March 21st 9:30 a.m. Santa Fe residents are invited to a breakfast presentation to learn more about Splendido, Tucson's award-winning, all-inclusive community for those 55 and better. This informational breakfast will be hosted in the Sunset Room of Eldorado Hotel and Spa, 309 West San Francisco Street, Santa Fe. The public is invited, and there is no cost to attend.

Presenter, Gale Morgan, Vice President Mather LifeWays, will cover such important topics as the all-inclusive lifestyle for one predictable cost, and Sonora: access to assisted living, memory support and long-term care, if ever needed – all on one beautiful campus. Participants are invited to learn more about Splendido's amenities, including the 10,000-square-foot Salut  Spa & Fitness Center, indoor and outdoor swimming pools, 24-hour concierge service, multiple restaurants and lounges, 18-hole putting course and cinema. Morgan will also cover topics such as the 90 percent refundable entrance fee, with a guaranteed refund within 120 days, and answer any questions guests may have.

After nearly 17 years as Santa Fe residents, Karen and Jim Evans recently made the move to Splendido and have only good things to say, "Everyone has been so welcoming and there's so much to do -- we could be busy all day long!" said Karen. "We spent seven years looking at between 30 and 40 different places and Splendido was, by far, the best fit for us." Karen says that while the climate and landscape are different than Santa Fe, she and her husband both enjoy Splendido's view overlooking the beautiful Catalina Mountains, and Tucson has provided the change in altitude that they sought.

Splendido is a joint venture of Mather LifeWays, a non-denominational, not-for-profit organization headquartered in Evanston, Ill., that creates Ways to Age Well(SM) for older adults, and the Plaza Companies, an Arizona-based leader in senior living communities and health care facilities.
